VOLUME III NUMBER 156 LA CROSSE, WISCONSIN, TUESDAY, NOVEMBER 27, 1906 PRICE TWO CENTS

TAX LEVY IS $6,298.10 MORE THIS YEAR THAN LAST

$368,000 Must be Raised in City

COUNTY TAX IS SMALLER

And a Portion of the Money Will be Returned to the Treasury

A total of $368,900 in taxes will be collected in the city of La Crosse. The amount is $6,298.10 larger than last year. Taxpaying time begins next Saturday.

This morning City Clerk Sieger received official notice from County Clerk Rawlinson of the amount of taxes to be paid the county by the city. The sum is $81,290.72, including the state school, county and county school taxes, a portion of which will be returned.

The levy, upon a basis of 18 mills upon an assessed valuation of $18,820,469, is $338,768.45. This sum does not include the special assessments, $30,131.55.

The taxes to be paid the county by the city are:

	1906.	1905.
State school tax..	$ 9,178.20	$15,260.95
County tax	51,787.30	57,915.79
Countyschool tax	20,325.22	19,662.92
Total	$81,290.72	$92,839.46

From the state school tax it is expected that about $22,000 will be returned, this figure being the state school tax from La Crosse county and the aid given by the state. The county school tax also will be turned over to the city.

The council budget planned for a county tax of about $90,000, this sum being set aside for this exigency. With only $81,290.72, the balance of $8,709.29 will be turned into the general fund, making a total of about $22,000 in this department of the city treasury.

The special assessments follow:

Street openings	$ 5,580.17
Sidewalk certificates	509.55
Sewer certificates	341.24
Sidewalk repairs	210.83
Snow shoveling	739.28
Destroying weeds	14.50
Cleaning vaults	56.15
Removing rubbish	4.44
Special street improvement.	22,675.39
Total	$30,131.55

City Clerk Sieger has completed the copying of the taxes into the assessment rolls and will hand the books to City Treasurer Young soon that the property owners may begin paying their taxes. To the total given, an assessment of 5 per cent is made. Three per cent is deducted in event the taxesare paid before Feb. 1, the remaining 2 per cent being fees for collection.

INTEREST ALMOST DOUBLE DEBT

Judgment for $42 and interest since May 14, 1884, the interest being greater than the principal, was rendered against John Kerrigan in favor of John Adrian by Justice Hunt today. The case was heard a few days ago.

Adrian found a note in the trunk of his father, after the death of the latter. The note was for $82 and $40 had been paid. The note was given in 1882. Suit was started to begin the recovery of the part of the note unpaid with interest.

The decision allows Adrian $42 principal and interest amounting to $74.32. The total damages are $116.32 with costs at $12.81, making a total of $129.13, which Kerrigan must pay. The case may be appealed.

LEHNOFF - BIGHAM

Charged with "interfering with the dignity of the law," Attorney Roy E. Bigham will be tried before Judge Brindley tomorrow morning on complaint of Deputy Factory Inspector August Lehnoff. John M. Holley Jr., manager of the McMillan building, will be tried in the afternoon on a charge of employing a boy under the of 16 years in the operation of the elevator in the McMillan building.

Attorney George H. Gordon will defend Mr. Bigham. Mr. Lehnoff claims that Bigham interfered with him when he placed Howard Maxwell, the minor elevator boy, under arrest. In turn Mr. Bigham denies the allegation, saying that he insisted upon fair play and did not desire to see the boy abused.

WINONA MAN IS KILLLED IN WRECK

Fatal Railroad Accident Last Night Near Stanley

(Special Tribune Dispatch.)

CHIPPEWA FALLS, Wis., Nov. 27.—Two men were killed and one seriously injured in a collision between two freight trains at Stanley last evening at 5:35. The fast freight was standing on the main track ready to start when an extra freight bound in the same direction suddenly appeared. There was a dense fog and the extra was on a heavy down grade at almost full speed.

There were ten passengers in the caboose of the way freight.

All jumped but the three. One was killed at once and another died just as he reached the hospital at this place.

Charles Quinn of Winona, a traveling man, was killed instantly; Marx Schachler of this palce died last evening in the hospital and James W. Hubbard of Eau Claire had ribs broken and was injured internally. He will recover.

ELKS' FESTIVAL TOMORROW NIGHT

What promises to be one of the largest entertainments given by the local lodge of Elks since the rejuvenation of that organization, will be the annual turkey festival and banquet to be given for members and their friends tomorow evening at Elk hall.

Turkey night has come to be regarded as an annual event with the Elks of La Crosse and is an event which is anticipated with much enjoyment. Last year nearly sixty-five turkeys were distributed among those who attended the event and an excellent banquet was served. The committee this year has planned an event of even more critical perfection than that of last season and it is understood that more than a hundred fowls will be acrried home by the banqueters, after the festivities.

The social session will begin about 8 o'clocka nd at the appointed hour the solemn ceremony of the "Eleven O'clock Toast" will be performed. This will be followed by the banquet. The turkey-fest will consume a large part of the evening. A program of stunts has ben arranged by the committee and T. & J., the program announces, have been specially engaged for the evening. Elks' milk, a beverage which is seldom allowed to pass other than Elk lips will be served during the evening, to invited guests as well as members of the order.

It is expected by the committee that the capacity of the hall will be taxed by the gathering.

MYSTERIOUS CRIMES AT CASTLE ROCK

MUSCODA, Wis., Nov. 27.—John Polhan was found in the woods near Castle Rock in an unconscious condition by school children near his home. His left cheek was smashed and his eyes bulged uot. He has not recovered consciousness, and the cause of his condition is a mystery. His appearance would indicate that he had ben assaulted and left for dead. This case following another atrocious assault has caused much excitement here. Miss Lottie Hines narrowly escaped death Sunday evening when some man struck her outside the door of her home on the road between Highland and Muscoda. A heavy knob of hair done up on the top of her head protected her against the blow and possibly saved her life. Before she could re-enter the house to alarm her folks the assailant blacked her eye and cut her face.

A runaway was stopped at the corner of Pearl and Fourth streets by Paul Dolan, bartender at the Ozark Buffet, 120 South Fourth street.

Sensational Divorce in Washington

PIOUS MINISTER IS NAMED

Society of Capital is Scandalized by the Evidence

(Scripps-McRae Dispatch.)

WASHINGTON, D. C., Nov. 27.—In the Bassett divorce case today, witnesses testified as to the sojourn of Mrs. Bassett and Rev. Dr. Hunt at Atlantic City, and of the children being taught to call the preacher "uncle."

Frequently they went bathing, according to the testimony.

One witness testified that a child was born at the Johns Hopkins hospital after the husband claims he had ben away for ten months and it was named for Rev. Hunt.

Bassett, the husband, is employed in the geodetic survey for the government and left his home for the west ten months before the birth of the last child, he claims.

The preacher, who was always regarded as a most pious man, began to grow intimate with Mrs. Bassett before her husband left Washington. He was known to visit her in her apartments just after her husband left for his office, and would cali again after luncheon, upon the departure of Bassett.

Upon one occasion, witnesses say, Bassett came home unexpectedly while Mrs. Bassett and the minister were in the parlor. The preacher hid behind the door until Bassett went into another room and then slipped from the house while a maid held the door for him.

Another time, this maid testified, she rapped upon the door of Mrs. Bassett's room and was commanded to enter by Rev. Hunt. She found Mrs. Bassett only half clothed and dressing herself, while the minister sat on a chair near the window, idly drumming his fingers upon the sill.

Mrs. Bassett at one time tried to use her influence with the senators to have her favorite minister appointed chaplain of the senate but failed.

She claims that it is none of Bassett's business when the child was born, and that she has no intention of having anything more to do with him. They had several children.

Mrs. Bassett was the daughter of a former United States senator from Arkansas.

COMPLETES POWERFUL ENGINE

C. G. Holmberg of Woonsocket, S. D., has completed an engine which may revolutionize all industries in which steam power is used. The engine differs from others in that it is built with double reciprocating engines instead of single, while the cylinder is parallel to the main shaft instead of being at right angles. These changes, it is claimed, combine to give 33 per cent more power.

Classic Recital At Conservatory Of Music

The new La Crosse Conservatory of Music will give their first recital, Tuesday, Dec. 4th, and to everyone that is interested in music,I will give a complimentary ticket iwth a reserved seat.

I promise La Crosse the most classical recital ever given in the city, and I respectfully invite all music critics to decide whether the faculty of the La Crosse Conservatory of Music are able and capable of standing to the head of such a high art. I sincerely wish that every family in La Crosse who are interested in an education and welfare of their children will at least attend this musical recital and satisfy within themselves, whether or not, they think the La Crosse Conservatory of Music a fit place to send their children to be educated along the lines that we pretend to handle in this school. I have made every effort possible to open the school covering every branch of the music art and dramatic art as well, and I certainly need the support of the best citizens of La Crosse to make my school a thorough success and the most I can offer to the public is a recital, and let the public at large judge each member of our faculty and in that way you would feel positively satisfied.

Now, every teacher contracted with this school, who will without any question, do their best, and will let you people judge if or not, we are capable of taking the stand of such a high art.

The admission for the recital will be 50 cents a seat, but to every family or person that is interested in our line that will either call at the school or ring us up by phone, we will gladly furnish them with a complimentary, reserved seat ticket.

The recital will be given in the auditorium of the school, better known as the German Opera house, corner of Fifth and Market. The recital will begin 8:15 sharp.

I trust you will at least attend our recital.

MAY HANG NEGRO

(Tribune Special Service.)

TOPEKA, Kas., Nov. 27.—A murder case of unusual interest will be tried at the November term of the United States circuit court which opened today. Robert Tellies, formerly a negro soldier at Fort Riley, is charged with slaying his sweetheart Martha Arterbridge, on the military reservation at the fort, and the problem which is vexing the court officials is whether Tellies will be hanged in the event of conviction. The fact that life imprisonment is the penalty for murder under the state laws has caused the average citizen to look with distate upon the capital punishment meted out by the federal authorities, and it is considered doubtful if a jury can be secured that will send the negro to the gallows. There have been no legal hangings in Kansas since the law was passed requiring the governor to assume the responsibility for sending a man to the gallows.

It is alleged that Tellies murdered his dusky sweetheart because of attentions shown her by other soldiers.

No matter how severe or chronic a case of catarrh you may have, consult O. T. Erhart about the use of Hyomei. He has so much faith in the efficacy of this treatment that he gives his personal guarantee with every outfit he sells that it will effect a cure, or the money will be refunded.

In many instances Hyomei has cured catarrh when the patient has suffered from childhood. Quite a few people in La Crosse who have been unable for years to get a good night's sleep on account of the disagreeable tickling and dropping at the back of the throat, have obtained quick relief from a few treatments with Hyomei, and the continued use has made a complete and lasting cure.

There is no stomach dosing when one uses Hyomei. Simply breathe its medicated healing through the pocket inhaler that comes with every outfit, and all catarrhal germs will be killed and the mucous membrane will be healed.

A complete Hyomei outfit costs but $1, sufficient for at least two weeks treatment, making it one of the most economical methods of curing catarrh. If the outfit does not complete a cure, extra bottles of Hyomei, if needed, can be bought for 50 cents. Remember that there is no risk in buying Hyomei. It costs nothing unless it cures.

NORTH SIDE BRIEFS

AT THE THEATERS

"The Merchant of Venice"

Mr. De Grasse in his elaborate production of "The Merchant of Venice" will be seen at the La Crosse theater tomorrow, matinee and night. The manager of the La Crosse theater is emphatic in declaring that from a scenic and costuming standpoint no similar road attraction is more lavishly equipped than this. It is stated that no expense has been spared in mounting the piece. Mr. De Grasse believing that what is worth doing at all is worth doing well, has given most careful consideration to even the minutest detail of this production. All who have seen this attraction in other cities have stamped it with the mark of approval.

"Ole Olson"

The Northland singer, Ben Hendricks, in his play "Ole Olson," is scoring a great success wherever it has been produced. It is a play that leaves a pleasant flavor behind, a flavor of rustic romance and brade deeds of goodness and simplicity rising triumphant over frustrated villainy and irritating misconceptions in the third act, which is shorta nd sweet.

Mr. Hendricks isa n actor of the type made familiar years ago by Joe Emmett. He has a voice of singular pathos and power and his singing has the peculiar quality which suddenly clarifies the imagination and for the moment lifts the hearer quite out of himself. With all this he is an actor of uncommon gracea nd spirit, has a fine presence and a winning face and a Swedish accent that is equal to any linguistic emergency. He will sing six new songs during the action of the play. Mr. Gray has surrounded Mr. Hendricks with a very strong company. At the La Crosse theater Thanksgiving afternoon and night.

EXHIBTS RADIUM UNDER MICROSCOPE

William B. Patty delivered an interesting lecture on radium at the Y. M. C. A. auditorium last night. Radium was shown thea udience under a microscope of great power. Dr. Patty explained that the cost of radium, $16,000,000 meant that it was not to be sold.

FOOTBALL THURSDAY

The biggest football attraction of the season, from point of local interest, will be the contest Thanksgiving afternoon between the high school and W. B. U. teams at the League park gridiron. Both teams are workihard and are practicing every day. Peter Riley has assumed the duties of coach for the W. B. U. team and promises the contest will be a spirited one.

THE WEIGHT OF COAL

How many pounds of coal are there in a ton?

The books say 2,000 pounds. Most people suppose they get 2,000 pounds when they buy a ton of coal. They think that stuff about 1,600 pounds is all a joke.

Perhaps it is a joke. And perhaps it isn't. Who knows? We make the farmer measure his wood, but we take the coal man's word for his coal. Is that sensible? If we can't trust the farmer, can we trust the coal man? If we have a right to make the farmer "show us," haven't we a right to make the coal man "show us?"

Here is a good job for the city council. Let us treat the coal man like we treat the farmer. Let US COMPEL THE COAL MAN TO WEIGH HIS COAL ON THE PUBLIC SCALES AND UNDER THE SUPERVISION OF THE CITY WEIGHMASTER!

Then we will know whether or not there are 2,000 pounds in a ton of coal.

SUNDAY DANCE STABBING FATAL

RACINE, Wis., Nov. 27.—Edward Pinnow, aged 19 years, who was stabbed at a dance hall early Sunday morning, died yesterday and Joseph oHad, now under arrest in Chicago, is charged with the murder. Joseph Peters, also under arrest in Chicago, may be brought here as a witness. Hoad's right name is now said to be John Rastall.

The dance where the stabbing took place was being conducted by a church benevolent insurance company. Yesterday the ministers' union scored the dance promoters and city authorities for allowing dances to be held Sundays.

About fifty couple were present. Light refreshments were served and all enjoyed the evening very much.

A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Tacket, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tacket's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me at death's door, when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for Sore Lungs, Coughs and Colds, at O. T. Erhart's drug store. Price 50c and $1.00. Trial bottle free.

Cured of Bright's Disease

Mr. Robert O. Burke, Elnora, N. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as wella s all other symptoms of Bright's disease." O. T. Erhart.

NO COFFEE

The Doctor Said

Coffee slavery is not much different from alcohol oran y other drug. But many people don't realize that coffee contains a poisonous, habit-forming drug—caffeine.

They get into the habit of using coffee, and no wonder, when some writers for respectable magazines and papers speak of coffee as "harmless."

Of course it doesn't paralyze one in a short time like alcohol, or put one to sleep like morphine, but it slowly acts on the heart, kidneys and nerves, and soon forms a drug-habit, just the same, and one that is the cause of many overlooked ailments.

"I wish to state for the benefit of other coffee," slaves writes a Vt. young lady, "What Postum Food Coffee has done for me.

"Up to a year ago I thought I could not eat my breakfast if I did not have at least 2 cups of coffee, and sometimes during the day, if very tired, I would have another cup.

"I was annoyed with indigestion, heart trouble, bad feeling in my head, and sleeplessness. Our family doctor, whom I consulted, asked me if I drank coffee. I said I did and could not get along without it.

"He told me it was the direct cause of my ailments, and advised me to drink Postum. I had no faith in it, but finally tried it. The first cup was not boiled long enough and was distasteful, and I vowed I would not drink any more.

"But after a neighbor told me to cook it longer I found Postum was much superior in flavor to my coffee. I am no longer nervous, my stomach troubles have ceased, my heart action is fine, and from 105 lbs. weight when I began Postum, I now weigh 138 lbs. I give all the credit to Postum as I did not change my other diet in any way." Name given by Postum Co., Battle Creek, Mich. Read the little book, "The Road to Wellville," in pkgs. "There's a reason."

MISS MINNIE VOLZ, LEADS FIRST DISTRICT

LARGE NUMBER OF VOTES CAST YESTERDAY

Yesterday's vote was unusually heavy for the first day of the week, doubtless owing to the closing of the first period last Saturday evening.

Last evening's count Miss Minnie Volz takes first place in her district by over 10,000 votes, with Miss Nettie Williams second and Miss May Gavin third.

In the second district Miss Adeline Neibuhr leads with 40,469 with Miss Julia Novak second, and Miss Mary Stipeck third.

Miss Klea Bullock of district No. 3 leads her district with 43,990, with Miss Amelia Brinkman second and Miss Mary Downs third.

Miss Whittenburg leads the fourth district. The standing of the other contestants remain about the same with the exception of Miss Blanch Dudley of West Salem, who takes first place with 11,975.

Candidates who may now be many votes behind the leaders in their district will do well to remember that the race is today only six-eighths over and that two weeks remains in which to secure subscriptions and save coupons. In fact prospects are that the coming week will be, so far as weather is concerned, much more favorable for the getting about and doing good work than the six weeks that have passed. In many of the districts where the contest has not raged so fiercely as in the others it is gong to be comparatively easy for a young woman to win at least a trip to Santa Cruz, or a scholarship prize, awards well worth the effort which will be required to gain them. The persons who subscribe month or longer, thereby receiving votes are in reality donating nothing out of their pockets to the young woman in whose behalf the votes are given, because they receive full value in the paper itself. It is regarded by many a most desirable arrangement to have the paper paid for a term in advance, and to be thereby relieved of the monthly visit of the collector and the payment of small sums.

Dancing Proves Fatal

Many men and women catch colds at dances which terminate in pneumonia and consumption. After exposure, if Foley's Honey and Tar is taken it will break up a cold and no serious results need be feared. Refuse any but the genuine in a yellow package. O. T. Erhart.

ONALASKA CHALLENGES WEST SALEM ELEVEN

Some members of the West Salem football team have spread the report that Onalaska "backed out" of the game that was scheduled for last Saturday, Nov. 24. Onalaska did refuse to go to West Salem and pay their own expenses and West Salem refused to come to Onalaska when expenses were offered them. The report that was sent out from the Salem camp has led a lot to believe that Onalaska was afraid of West Salem. This, of course, is untrue and Onalaska hereby challenges West Salem (and Bangor) to a game on Thanksgiving day, Nov. 29. Now if West Salem is "afraid," let her refuse to take this game.

TO PREPARE RIVER AND HARBOR BILL

(Special Tribune Service.)

WASHINGTON, D. C., Nov. 27.—There was a feeling of satisfaction apparent among the members of the house river and harbor committee, who assembled in Washington today in response to a call of Representative Burton of Ohio, who is chairman of the committee. The committee meets to prepare a river and harbor bill for presentation at the approaching session of congress and there is every reason to believe that the measure will go through. Assurances have been received from Speaker Cannon and other republican leaders that a reasonable measure will be allowed to pass. It is impossible to say as yet what river projects will be favored by the committee and by congress, but it is a safe forecast to indicate that there will be generous appropriations for the Ohio and Mississippi river projects. The demand for the improvement of the Missouri, the Tennessee and other great waterways will be taken under consideration by the committee in framing its bill.

CATARRH PREPARES THE SYSTEM FOR CONSUMPTION

While Catarrh in its first stages usually affects the head, it does not stop there if the trouble is allowed to run on. The contracting of a cold is generally the commencement of the unpleasant symptoms of ringing noises in the ears, nose stopped up, mucus dropping back into the throat, hawking and spitting, etc. The inner skin or mucous membrane of the body becomes inflamed and secretes an unhealthy matter which is absorbed into the blood, and Catarrh becomes a serious and dangerous blood disease. Every day the blood becomes more heavily loaded with these poisonous secretions, and as the poisoned blood constantly passes through the lungs they become diseased, and often Catarrh terminates in Consumption. Sprays, washes, inhalations and such treatment do no real good, because they do not reach the poison-laden blood, where the real trouble lies. The only way to cure Catarrh is to purify and build up the blood. S. S. S. has been proven the remedy best suited for this purpose. It goes down to the very bottom of the trouble and removes every trace of impurity from the circulation, freshens this life stream and, as this healthy blood goes to every nook and corner of the system, Catarrh is driven out and a lasting cure made. The inflamed membranes and tissues heal, the secretions cease, the head is cleared and the entire system renovated and put in good condition by the use of S. S. S. Write for free book which contains valuable information about Catarrh and ask for any special medical advice you desire, without charge.

MISSOURI LYNCHING CASES AGAIN

(Tribune Special Service.)

SPRINGFIELD, Mo., Nov. 27.—At the November term of the criminal division of the Green county circuit court, which opened today, J. Hill Gooch and Daniel Galbraith, will again be tried on a charge of complicity in the lynching of three negroes, Coker, Allen and Duncan, on the night of April 14 last. The attorneys for the state claim to have discovered a great deal of new evidence and it is likely that many new witnesses will be called. Prosecuting Attorney Patterson will have the assistance of both Attorney General Hadley and Assitant Attorney General Kennish. More than 500 subpoenas for witnesses have already been served.

The lynching of the three negroes attracted wide attention throughout the country. They were hanged to a statue of liberty in the public square, and this ironical circumstance alone caused much comment. One of the victims of the mob was charged with criminal assault. The unwritten law demanded his death and the speedy justice was meted out by the angry citizens. Two other negroes, charged only with minor offenses, were later hanged by the mob, mad with the lust of blood, and a reign of terror for both whites and blacks ensued.

Aside from any question of the guilt or innocense of the accused men, it is evident that the majority of the people of Springfield are strong in the hope that Gooch and Galbraith will be acquitted. Race hatred is strong here, as in nearly all southern Missouri cities, and it is generally admitted that the lynching and riots were but the logical culmination of a long period of continual friction between the races.

GOLDEN WEDDING OF THE GARYS

(Special Tribune Service.)

BALTIMORE, Md., Nov. 27.—Former Postmaster General and Mrs. James A. Gary of this city have issued invitations for a unique celebration of their golden wedding aniversary. The celebration took the form of a dinner last night and a reception this evening. Thirty-two members of the family were present at the dinner, the seven daughters appearing in their wedding gowns.

ACCUSED THE ROADS OF DISCRIMINATION

COLUMBUS, Ohio, Nov. 26.—The charges brought by the National Petroleum association against forty-one railroads in Ohio came up for hearing today before the state railway commission. The complainant company accuses the railroads of unjust discrimination in freight rates on oil in favor of the Standard Oil company.

EXPEL GIRL STUDENT FOR THEFT

MADISON, Wis., Nov. 27.—The university authorities, it is said, are satisfied that they have discovered the author of the numerous thefts in Shadbourne hall, which have long agitated the girl students. It is stated that a sophomode in the College of Letters and Science has been expelled frob the university.

She occupied a room in Chadbourne hall, and while she was being cared for recently in the in firmary for some ailment, her room, among others, was searched. It is said that many of the missing articlest belonging to other students in the hall were found in her room. The facts were laid before the university authorities and she was confronted with these evidences of guilt. The young woman, it is believed, is afflicted with kleptomania. She had a liberal allowance and there was no motive for the thefts as she was generously supplied by her parents with everything she wished.

A DOCTOR'S TRIALS

He Sometimes Gets Sick Like Other People.

Even doing good to people is hard work if you have too much of it to do.

No one knows this better than the hard working, conscientious family doctor. He has troubles of his own—often gets caught in the rain or snow, or loses so much sleep he sometimes gets out of sorts. An overworked Ohio doctor tells his experience:

"About three years ago as the result of doing two men's work, attending a large practice and lookinfi after the details of another business, my health broke down completely, and I was little better than a physical wreck.

"I suffered from indigestion and constipation, loss of weight and appetite, bloating and pain after meals, loss of memory and lack of nerve force for continued mental application.

"I became irritable, easily angered and despondent without cause. The heart's action became irregular and weak, with frequent attacks of palpitation during the first hour or two after retiring.

"Some Grape-Nuts and cut bananas came for my lunch one day and pleased me particularly with the result. I got more satisfaction from it than from anything I had eaten for months, and on further investigation and use, adopted Grape-Nuts for my morning and evening meals, served usually with cream and a sprinkle of salt or sugar.

"My improvement was rapid and permanent in weight as well as in physical and mental endurance. In a word, I am filled with the joy of living again, and continue the daily use of Grape-Nuts for breakfast and often for the evening meal.

"The little pamphlet, 'The Road to Wellville,' found in pkgs., is invariably saved and handed to some needy patient along with the indicated remedy." Name given by Postum Co., Battle Creek, Mich. "There's a reason."

GUND'S PEERLESS BEER

THE PIONEER PURE FOOD BEVERAGE

Since 1854 Gund's Beer has been the leader in point of quality and excellence throughout the great Northwest. Millions upon millions of bottles of this famous brew are required annually to supply the ever increasing demand. PEERLESS is sold at all points of prominence throughout the West and Northwest. Our export business is also reaching large proportions. There must certainly be some reason for this popularity, and if you will taste a bottle of PEERLESS you will know for yourself.

FACTS ABOUT GUND'S BEER

In the brewing of our products we use only the very choicest material.

We purchase the finest barley, malt and hops that money can buy and skill select.

The various processes for brewing and fermenting are all conducted and supervised in an environment of absolute chemical cleanliness by expert brewmasters of unquestioned ability and integrity.

The water is artesian water from wells bored deep down into the solid granite rocks that line the Mississippi at this point.

The water springs up clear and sparkling, bubbling with health-giving qualities, and is peculiarly well adapted to the making of a rich and mellow beer.

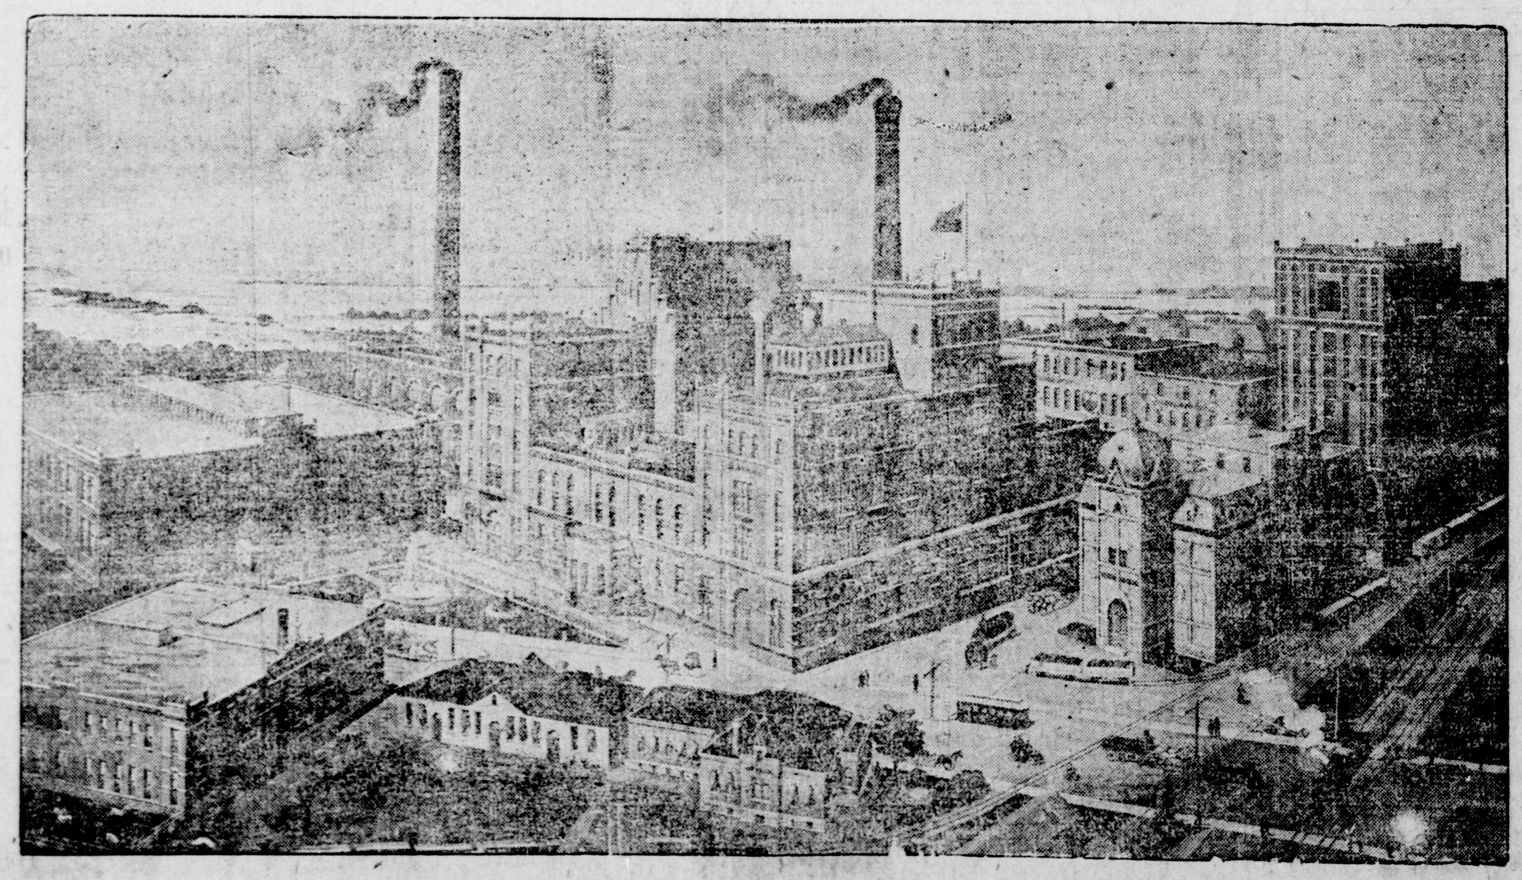

Every known device, method and mechanical improvement in the art of brewing that tends to cleanliness, purity and perfection is used by us.

We spare neither time nor expense to attain the highest that is to be attained.

Then we have an immense storage capacity whereby we are enabled with ease and convenience to "store" and "age" or "lager" our beer the required length of time.

This makes it always mature and healthful and fit for the most delicate stomach.

The storage of beer is of great importance, and with our mammoth stock houses which are equipped with the most modern refrigerating system we are enabled to maintain a suitable and proper temperature for the beer during all the seasons.

Thus the ingredients, the skill, the climate, the water and the aging all contribute to producing that marvelous fragrance and mellow flavor so genarlly desired, and for which Gund's Peerless has always been noted.

When barley beer is made from the best material (by men who are masters of the art of brewing) it contains both dextrine and albumen, which are foods; also phosphates, which build up bone, brain and tissue.

The extract of the hop blossom acts as a splendid digestive and quiets the nerves.

Furthermore, the small amount of alcohol in really good beer (about 3½ per cent) is a wholesome natural tonic for the entire system, while the effervescing carbonic acid gas makes the beverage refreshing and gratifying.

For these reasons we claim that "Peerless" is a beer of commanding superiority—that it is a beverage, a tonic, and restorer, as well as a nourishing, natural, healthful food of substantial value.

It quenches the thirst, charms the palate, delights the soul, enriches the blood and builds body, bone and brain.

It is the drink of the best people in the best cities of the Mississippi Valley and throughout the great Northwest.
